

## MONDAY 8 OCTOBER

### Improving coverage measurement in low-resource settings: launch of the journal of global health supplement

Satellite session, 08:30 - 12:00, ACC room 11B  
*Melinda Munos, Ann Blanc, Tanya Marchant, Emily Carter*

### Community systems for child health in Ethiopia: achievements, challenges and visions

Satellite session, 09:00 - 11:00, ACC room 4A  
*Lars Ake Persson, Ephrem Lemango, Della Berhanu, Bilal Avan, Mariame Sylla, Theo Lippevald, Stefan Peterson*

### Pragmatism and complexity: developing innovative multi-disciplinary approaches to address multi-sectoral, multi-level health challenges

Skills-building, 13:00 – 17:00, Exhibition Centre Room 21

*Susannah Mayhew, Dina Balabanova, Ahmed Vandi, Lawrence Babawo, Tommy Hanson, Gideon Lasco*

### Health financing in fragile and conflict-affected states: Controversies and innovations

Satellite session, 13:30 – 17:00, ACC Room 12  
*Olga Bornemisza, Andre Griekspoor, Egbert Sondorp, Tim Martineau, Sophie Witter*

### Alcohol industry partnerships and conflicts of interest in global health

Satellite session, 12:00 - 14:00, Mersey Suite at Pullman Hotel  
*Robert Marten, Benjamin Hawkins, Gorik Ooms, Jeff Collin, Modi Mwatsama*

### Lessons from applying systems thinking to research and programme implementation: how to build health systems that leave no one behind

Satellite session, 12:00 – 14:00, ACC room 4A  
*Don de Savigny, Karl Blanchet, Alice Sabino, Nicole Fulton, Cindy Carlson, Wina Sangala*

### Is self-care the new primary care? Lessons for UHC from HIV self-testing, subcutaneous DMPA and HPV DNA testing

Satellite session, 15:00 - 17:00, ACC room 4A  
*Michael Holscher, Ian Askew, Milly Kaggwa, Owen Mugurungi, Miriam Taegtmeier, Pierre Moon*

### How to work with researchers and policymakers to adapt global evidence to define national packages of health services in low-income and crisis-affected countries

Skills-building, 15:30 – 17:30, Exhibition Centre Room 17  
*Karl Blanchet, Ferozuddin Feroz, Ahmad Jan Naeem, Neha Singh, Addis Tamice, Mieraf Tolla, Jolene Skordis-Worrall*

## TUESDAY 9 OCTOBER

### Payment for performance (P4P), how, where and what? Learning from research across income settings: a one day workshop for researchers and practitioners

Satellite session, 8:00 – 17:00, Mersey Suite, Pullman Hotel  
*Josephine Borghi, Kara Hanson, Laura Anselmi, Søren Rud Kristensen, Artwell Kadungure, Garrett Brown, Roxanne Kovacs, Matt Sutton*

### Engaging with private providers in LMICs: Strengthening quality of care and effective regulation

Satellite session, 9:00 – 17:00, Suite 3,4,5 at Jurys Inn Hotel  
*Phyllis Awor, Catherine Goodman*

### Anti-corruption by design: understanding and tackling health system corruption on the road to Universal Health Coverage

Satellite session, 8:00 - 11:30, ACC room 11A  
*David Clarke, Dina Balabanova, Martin McKee, Eleanor Hutchinson, Nahitun Naher, Obinna Onwujekwe, Masuma Mamdani*

### Methodological approaches for investigating multiple facets of multi-sectoral collaboration for health

Skills-building, 13:00– 15:00, Exhibition Centre Room 17  
*Mishal Khan, Douglas Glandon, Shehla Zaidi, Osman Dar, Ida Okeyo, Shinjini Mondal*

### Innovative methodologies for global health systems strengthening

Skills-building, 13:00 - 17:00, Exhibitions Centre Room 19  
*David Peiris, Shobhana Nagraj, Huan Chen, Devaki Nambiar, John Ataguba, Virginia Wiseman, Elizabeth Millett*

### Caesarean section safety in low-resource settings: addressing health system challenges that jeopardise maternal and newborn health

Satellite session, 15:00 - 17:00, ACC room 11A  
*Bandana Tripathi, Lenka Benova, Lina Roa*

## WEDNESDAY 10 OCTOBER

### Responding to the Ebola viral diseases outbreak in Sierra Leone: Understanding the role and capacities of the districts

9:00 - 10:30, ACC room 11C

Oral session: Perspectives on governance - the role of different actors

*Ahmed Vandi, Susannah Mayhew, Tommy Hanson, Lawrence Babawo, Dina Balabanova*

# WEDNESDAY 10 OCTOBER

## Patient pathways and access to care for cardiovascular diseases in Malaysia and the Philippines: A Scoping Review

Poster number 2, 10:30, Galleria

Maureen Seguin

## Revisiting health systems strengthening to ensure Universal Health Coverage during humanitarian crises: Leaving no one behind

Participatory session, 11:00 – 12:30, ACC room 1B

Paul Spiegel, Andre Griekspoor, Karl Blanchett, Fouad Fouad

## Health Policy and Planning 'Meet the Editors' drop-in session

Booth 60, 12:30 - 14:00

## Digital innovation in health systems

Panel session, 12:30 - 13:30, ACC Hall 2F

Carl May, Hans Kluge, George Gotsadze

## Power, influence and antimicrobial resistance policymaking in Pakistan

Poster number 11, 12:45, Galleria

Mishal Khan

## Re-thinking financial protection measures for vulnerable groups - the case of adolescents

Poster number 147, 13:15, ACC Hall 2M

Josephine Borghi

## The forgotten mothers: provision of postpartum care to women delivering health facilities in sub-Saharan Africa - analysis of Demographic and Health Surveys

Poster number 278, 13:15, ACC Hall 2M

Lenka Benova

## Investigating common types and mitigation strategies for corruption in the health sector of Anglophone West Africa

Poster number 410, 13:15

Obinna Onwujekwe, Hyacinth Ichoku, Eleanor Hutchinson, Aloysius Odii, Prince Agwu, Tochukwu Orjiakor, Adaobi Ogbozor, Uche Obi, Chinyere Mbachu, Pallavi Roy, Mushtaq Khan, Dina Balabanova

## A new approach to strengthening accountability for better health outcomes for all: Insights from Tanzania

Poster number 408, 13:15

Masuma Mamdani, Peter Binyaruka, Mary Ramesh, Irenei Kiria, Ntuli Kapologwe, Eleanor Hutchinson, Dina Balabanova

## National health systems and the availability, affordability, and use of essential medicines for cardiovascular disease

Poster number 284, 15:30, ACC Hall 2M

Ali Lotfizadeh

## The politics of health policy and systems at the global and national levels: overcoming systematic barriers to improve health in marginalized communities

Panel session, 14:00 - 15:30, ACC room 4A

Sara Elisa Fischer, Yusra Showar, Verena Sriram, Annisa Rahmalia, Edna Bosire, Emily Mendenhall, Adam Koon

## Funders panel: global and local funding strategies for advancing health systems for all in the SDG era

Panel session, 14:00 - 15:30, ACC Room 1B

Tolib Mirzoev, Piya Hanvoravongchai, Anne Mills, David Peters, Nopporn Cheanklin, Lola Adedokun, Jill Jones, Neal Brandes

## Addressing the politics of policy change in taking action on inequity and social exclusion

Participatory session, 14:00 - 15:30, ACC Hall 2L

Lucy Gilson, Jeremy Shiffman, Ryan Guinaran, Chinyere Okekem, Sudha Ramani, Ida Okeyo

## Ensuring access for all: reaching marginalised groups

Oral session, 16:00 - 17:30, ACC room 3A

Kara Hanson, Jean-Patrick Alfred, Ansan Bhadelia, Munmun Dhalaria, Sunisha Neupane, Lingling Zhang

## What is everyday health system resilience?

16:00 - 17:30, ACC room 11B

Oral session: Global health discourses

Seye Abimbola, Rebecca Wolfe, Sumegha Asthana, Julie Balen, Sameera Hussain

## Research innovation meets reality in Bangladesh, Nepal and Tanzania: measuring health system performance to reach every woman and newborn

Participatory session, 16:00 - 17:30, ACC Hall 2L

Donat Shamba, Ahmed Rahman, Stefan Peterson, Allisyn Moran, Joy Lawn, Vladimir Gordeev

## Working with the neighbours: the opportunities and challenges for health systems within regional trading blocs

Panel session, 16:00 - 17:30, ACC Hall 2N

Martin McKee, Natasha Muscat, Scott Greer, Helena Legido, Ana Amaya, James Hospedales, Gorik Ooms

## Reception & networking event on health systems research in the WPRO region

17:30 - 18:30, Marketplace

Convened by Dina Balabanova, Katherine Reyes

# THURSDAY 11 OCTOBER

## Health Policy Analysis Reader (HPA) Reader

Launch, 07:45 – 08:30, ACC Room 4A

Abdul Ghaffer, Lucy Gilson, David Peters

## Private sector in health: polemic and pragmatism

Plenary, 09:00 - 10:30, ACC Main Auditorium

Keith Cloete, Kara Hanson, Catherine Goodman, Abhay Shukla, Dana Hovig, Githinji Gitahi, Anita Wei, Akaki Zoidze

# THURSDAY 11 OCTOBER

## Rethinking collaboration: developing knowledge partnerships to address under-5 mortality in Mpumalanga Province, South Africa

Poster number 25, 10:30, Galleria

Oghenebrume Wariri

## Using social network analysis to understand Ethiopian health worker advice networks

Poster number 294, 10:30, ACC Hall 2M

Kate Sabot

## Transferability of health systems interventions and strategies across settings: a case study of China and Tanzania

Poster number 359, 10:30, Galleria

Melisa Martinez-Alvarez

## Competencies for health policy and systems research: findings from a global mapping and consensus-building process and case examples of competencies in practice

Thematic Working Group, 11:00 - 12:30, ACC room 1B

Dina Balabanova, Karim Zulkarnain, Meike Schleiff, Vera Lucia Luiza, Taufique Joarder

## Delivering services for vulnerable groups

Oral session, 11:00 - 12:30, ACC room 3B

Lorena Ruano, Anadi Gupt, Prosper Karamé, Oghenebrume Wariri, Clara Juárez-Ramírez

## Health systems' responses to violence against women: challenging questions and methodological innovations

Panel session, 11:00 – 12:30, ACC Hall 2E

Isabel Goicolea, Manuela Colombini, Carmen Vives, Ann Öhman

## A smile is most important: Why chains are not currently the answer to quality concerns in the Indian retail pharmacy sector

11:00 - 12:30, ACC 4B

Oral session: Shaping health care markets to better meet population needs

Rosalind Miller

## Engaging with the private sector for UHC: what have we learned?

Thematic Working Group, 11:00 - 12:30, ACC Hall 2F

Steven Sammut, Gerry Boom, Phyllis Awor, Meenakshi Gautham, Cicely Thomas, Uranchimeg Tsevelvaanchig, Priya Balasubramanian, Desta Lakew

## Governing cross-sector responses to climate change to protect health: Case studies of the World Bank, the World Trade Organisation and WHO

Poster number 230, 12:45pm, ACC Hall 2M

Susannah Mayhew, Michael Hammer, Sara Van Belle

## Healthcare provision under siege: Health-workers' strategies to cope with siege challenges in Syria – A qualitative study

Poster number 101, 11 October, 12:45, Galleria

Nasser Fardousi, Natasha Howard

## Who pays and how much? A cross-sectional study of out-of-pocket payment for modern contraception in Kenya

Poster number 368, 13:15, ACC Hall 2M

Emma Radovich

## True cost of choice: a policy analysis on abortion cost burdens in government facilities in Madyha Pradesh, India

Poster number 367, 13:15, ACC Hall 2M

Aparna Ananthakrishnan

## Health communication in outbreaks: the pivotal role of community media: the case of Ebola in Sierra Leone

Poster number 305, 13:45

Tommy Hanson, Melissa Parker, Dina Balabanova, Ahmed Vandi, Lawrence Babawo, Susannah Mayhew

## Corruption at the frontline: tackling rent seeking among health workers in Bangladesh, Nigeria and Tanzania

14:00 – 15:30, ACC room 11A

Session: Corruption and accountability in health systems

Barbara McPake, Eleanor Hutchinson, Fidele Mukinda, Nahitun Naher, Tanvi Manga

## Minding the gaps in governance and regulation of the private sector

Oral session, 14:00 - 15:30, ACC room 11C

Meenakshi Gautham, Alayne Adams, Emily Adrion, Lauren Suchman, Ibero Nelson

## Studying multisectoral collaboration for health: documenting research approaches and stimulating methodological innovation

Panel session, 14:00 - 15:30, ACC Hall 2N

Shinjini Mondal, Mishal Khan, Doug Glendon, Osman Dar, Sara Bennett, Shivani Murthy

## Evolution of village-based health systems in Ethiopia: lessons for progressing towards SDGs in low and middle income countries?

16:00 – 17:30, ACC room 11C

Lightning oral session: Improving access to health services through community approaches

Mirkuzie Woldie

## Building program theory for pay for performance in low- and middle- income countries

Panel session, 16:00 - 17:30, ACC room 1C

Josephine Borghi, Gwati Gwati, Neha Singh, Artwell Kadungure, Amilcar Magaco, Sophie Witter

## Health justice for marginalised populations

Oral session, 16:00 - 17:30, ACC room 3B

Miguel San Sebastián, María Acuña Diaz, Sharon Bell, Valéry Ridde, Yuan Huang, Iratxe Pérez Urdiales

## Health system approaches to addressing noncommunicable diseases

Oral session, 16:00 - 17:30, ACC room 4A

Robert Marten, Annie Haakenstad, Li-Lin Liang, Sandeep Maharaj, Mieraf Tolla

# FRIDAY 12 OCTOBER

**Can Social Impact Bonds achieve better outcomes than traditional financing mechanisms?**

**Subsidised vouchers for private services improved continuum of care even after public sector fees were removed: an evaluation of the Kenya maternal health programme**

9:00 – 10:30, ACC room 11A

Oral session: Paying for performance: considering the evidence

*Stefanie Tan, Alec Fraser, Nicholas Mays, Mardieh Dennis*

**Governing health systems response to emergencies: community connections and disconnections in managing Sierra Leone's Ebola crisis**

9:00 - 10:30, ACC room 3A

Oral session: Governance and accountability for strong community health systems

*Susannah Mayhew, Dina Balabanova, Lawrence Babawo, Ahmed Vandi, Tommy Hansen, Melissa Parker, Paul Richards*

**Meet the journal editors: how can we address gender and diversity in publication in global health and health systems**

9:00 - 10:30, ACC room 1B

**'Examining the value and effectiveness of National Immunization Technical Advisory Groups (NITAGs) in low and middle-income countries: a multi-method qualitative study'**

Poster number 252, 10:55, ACC Hall 2M

*Sadie Bell, Sandra Mounier-Jack, Laurence Blanchard, Helen Walls, Natasha Howard*

**Coping with health care costs for chronic illness in low- and middle-income countries: a systematic literature review**

Poster number 185, 10:30, ACC Hall 2M

*Adrianna Murphy*

**Social Impact Bonds: Private financing to improve public services?**

Participatory session, 11:00 – 12:30, ACC room 12

*Stefanie Tan, Mara Airoldi, Chih Hoong Sin, Max Bode, Scott Higgins, Nicholas Mays*

**The behind the scenes politics of health systems and policy research**

Participatory session, 11:00 - 12:30, ACC room 4B

*Katerini Storeng, Jennifer Palmer, Grace Akello, Svea Closser, Judith Justice, Melissa Parker, Jeremy Shiffman*

**'Their own project for their people': community participation in the Village Health Worker scheme in Gombe State, Nigeria**

Poster number 60, 13:15, Level 3

*Deepthi Wickremasinghe*

**Advancing health systems for mothers and newborns through actionable routine health information systems: a case study from Gombe State, Nigeria**

Poster number 195, 13:15, ACC Hall 2M

*Antoinette Bhattacharya*

**The case of unqualified nurses in private sector maternity services in India: an unavoidable reality?**

Poster number 325, 13:15, ACC Hall 2M

*Isabelle Lange*

**Why not? Understanding the spatial clustering of private facility- based delivery and financial reasons for home births in Nigeria**

Poster number 328, 13:15, ACC Hall 2M

*Kerry Wong*

**Birds, bats and zoonotic disease surveillance: reflections on community health action and post-Ebola legacies in Sierra Leone**

**A framework for cross sector, cross-disciplinary linkages**

14:00 – 15:30, ACC Hall 2E

Panel session: Critical junctures: reflections on cross-disciplinary and cross-sector approaches to development challenges caused by emerging zoonotic infections and environmental change in sub-Saharan Africa

*Susannah H Mayhew, Richard Ottaway, Vikas Mohan, Nelson Turyahabwe, Ahmed Vandi, Tommy Hansen, Patrick Mugirwa, Harriet Davies, Freddie Ssengooba, Lawrence Babawo, Paul Richards, T Patrick, D Dafe, David Johnson, Michael Hammer*

**The need for a multi-stakeholder approach to develop antibiotic stewardship with rural informal healthcare providers in India**

14:00 – 15:30, ACC room 11B

Oral session: Antibiotics and other medicines: improving access and rational use

*Meenakshi Gautham, Dipesh Das, Suparna Chatterjee, Roopkatha Dasgupta, Arindam Bannerjee, Soumyadeep Chatterjee, Debdoot Bhattacharya, Neil Spicer, Catherine Goodman, Abhijit Chowdhury*

**Financial risk protection for people living with Non-Communicable Diseases: an analysis of households from 18 countries in the PURE study**

14:00 - 15:30, ACC room 3B

Oral session: Addressing the growing burden of noncommunicable diseases

*Adrianna Murphy*

**Multisectoral transnational strategies to progress towards the SDGs: establishing a dialogue between Europe and Africa**

Panel session, 12 October, 14:00 - 15:30, ACC Hall 2N

*Dina Balabanova, Freddie Ssengooba, Matthias Wismar, Johanna Hanefeld, Akute Ikpeazu, Tolbert Nyenswah*

## EXHIBITION BOOTH

If you are interested in learning more about health systems research at LSHTM visit **Booth 20 in Hall 2** which will feature many resources from a variety of international research projects based at the School.
